

# FUNK REVIVAL'S COVID-19 PLAN

We are happy to offer hand sanitizer upon entry, as well as at our front desk.

If you would like to wear a mask, we invite you to bring your own, or, have one of ours (available upon request).

We will be disinfecting high contact areas regularly, including but not limited to hangers, shelves, countertops and our debit/credit machine. We encourage those who are able, to pay with debit/credit card. We will accept cash.

---

We will be limiting the number of shoppers allowed in store to ensure comfortable social distancing. We reserve the right to remove anyone who is not in compliance with our safety practices or who is abusive in any way for any reason.

## CUSTOMER OCCUPANCY

# 8

We ask that customers be considerate when trying items on, limiting contact to only those items you have serious interest in purchasing. All try on items not for purchase are to be left in change rooms for staff to collect and sanitize before returning to the floor.

# 6

## CHANGE ROOM ITEMS

# FUNK REVIVAL'S COVID-19 PLAN

Please, we ask if you are sick or have COVID-19 symptoms, have travelled in the last 14 days or are in contact with those who have travelled, to follow safety precautions and postpone your visit to Funk Revival in consideration to our shoppers and staff.

Funk Revival aims to provide a safe and positive shopping environment. We thank you for respecting our community and helping us to keep our community safe.
